**Re: Long-term Rental Assistance**

---

**Notice: HOPWA 01-04**

All long-term rental assistance allocated to the Fiscal Year (FY) 2001 HOPWA funds must be paid prior to June 30, 2002. If you have clients who have a year of assistance that extends out after June 30, 2002, you must be prepared to fund the remaining months of assistance with FY2002 HOPWA funding.

In order to simplify this process, Indiana Housing Finance Authority (IHFA) recommends that all clients funded with FY2001 long-term rental assistance be given an end date on or prior to June 30, 2002. Care coordination regions, of course, have the option of providing rental assistance past that date, just keep in mind that it will be funded out of your FY2002 HOPWA Allocation.
